THE SINGER SEWING MACHINE.

THE Marked and evert extending popularity of Singer's Sewing Machines—both in America and Europe—is such as best to establish their superiority over all others in the market. Sewing Machines—so Called—may be bought, it is true, for a smaller amount of dollars, but it is mistaken economy to invest anything in a worthless or unreliable article, and there who will do so must abide the consequences!

SINGER'S NEW FAMILY MACHIES.

In order to place the best Family Machine in the world within the reach of all, we have reduced our letter. A Machine beautifully ornamented—to \$60; plain \$50.

Singers's No. 1 and 2 Standard Shuttle Machines, both of very general application and capacity, and popular both in the family and manufactory. Prices reduced, respectively from \$135 and \$150 to \$60 and \$100. Singer's Standard Shuttle Machine, for carriage makers and heavy leather work. Price, complete \$125. Also, to complete the list, an entirely new article unequalled for anufacturing purposes. Noiseless rapid, and capable of every kind of work! Price (including iron it and and drawers.) \$110—cheaper at that in view of its value than the machine of any other maker as a gift.

All of Singer's Machines make the interlocked stitch with two threads, which is the best stitch known. Every person desiring to piocure full, and reliable information about Sewing Machines, their sizes, prices, working capacities, and the best methods of purchasing can obtain it by sending for a copy of L. M. Singer & Co's GAZETTE, which is a beautiful pictorial paper, entirely devoted to the subject. It will be supplied Claus.

LITTLE'S ANODYNE COUGH DROPS.

A certain cure for Colds, Conghs, Bronchille, Asthma, Pain in the Breast: also Croup, Whooping Coughs, &c., &c., amongst Children.

This is a pleasant medicine to take, producing immediate relief, and in nine out of ten cases a prompt cure. It exercises the most controlling influence over Coughs and Irritation of the Lungs of any remedy known, often stopping the most violent in a few hours, or at most in a day or two. Many cases thought to be decidedly consumptive, have been prountly cured by using a few bottles. As anodyne expectorant, without astringing the bowels, it standar paramount to all cough mixtures.

LITTLE'S FRENCH MIXTURE.

This is prepared from a French Recipe (in the forms of No. 1 and 2; the first for the acute, and; No. 2 for the chronic stage,) and from its unexampled success is likely to superseds every other remedy for the cure of diseases of the Kidneys and Bladder, Gonorrhead, Blennorrhead, and Louchorrhead or 1; r Albus affections.
